

Chrystal P

Poultry Shrink Bags

Your Bird Is The Word.

- Rounded bottom minimizes “dog ears” for a cleaner look
- Custom Sizes & Printing available - Your Product is Perfect
- Bi-Directional shrinkage for a superior product presentation
- High Gloss & Clarity to showcase your product
- Wide seal window allowing various material thicknesses to easily run through the same vacuum system
- Sealing or clipping options available to fit your application
- Superior puncture resistance, due to multiple layers

- Low temperature initiation providing skin tight presentation extending shelf life without harming your product
- Great sealing properties, even through fluids
- Breathable barrier preserves Your Products’ look and flavor
- Available Widths: 230 - 500 mm / 9.06 - 19.69” (sizes may vary up to 8%)
- Shrinks @ 90° C (lower temperature, lower operating costs)
